

Memo

We have reason to believe that the last victim might have known his attacker and taken measures prior to death in order to protect his associates. The following chart was discovered in the cabin of his ship. Analyze the contents of the document and determine if it might provide evidence beneficial to our investigation.

Solution: Gillys in Dunwoody

Red Hearing Forward: Playing hours of guitar hero is a skill but will help you with this clue in no way. No dice.

Red Hearing Backward: Enjoy the drive down to the wrong clue site.
