

GREATER ATLANTA CRIMINALSTICS  
EVIDENCE REPORT

Officer: Sgt. D. Hall Evidence Tag #: 6-4-3-DP .

Location: Main Entrance - Russ Chandler Stadium .

Notes:

Suspicious person was seen running out of the stadium late last night (Apr 8, 2011). The fact that there was a game at the stadium earlier in the day, and the fact that the suspect was alone leads us to suspect he may have been picking up or leaving a message for a possible accomplice. The only evidence found in the stadium was general stadium trash, peanut shells, and a fan's scorebook from the game. We've attached the pages from the scorebook to this report, but do not know if is this what the suspect was looking for...
