

TICK TOCK Solution

SUMMARY

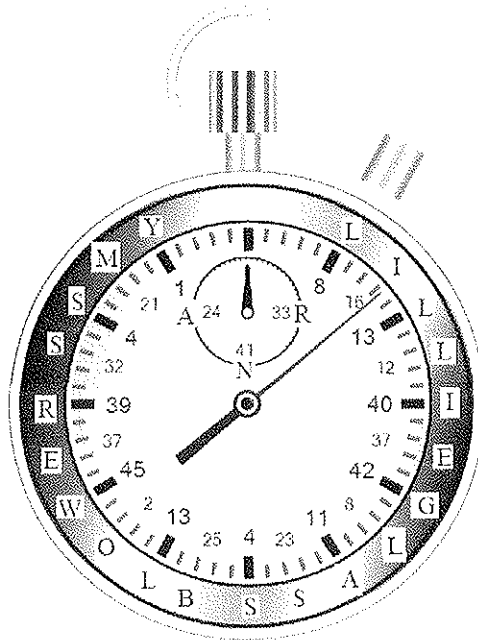

This clue is presented as a picture of a stopwatch where the numbers have been changed. In addition, the "Something to cry over" CD includes the first 45 tracks that are the sound of tick tocks. The clue is solved by counting the number of ticks in each track, and putting them in the order given on the stopwatch.

SOLUTION

Each track has a number of ticks which correspond to a letter in the A1Z26 fashion. When the 45 Tracks are placed in order of tracks, it spells "YOUSHOULDCALLTOINFORMUSABOUTTHISREDHERRINGNOW"

This is not the answer.

When you put the letters of each track around the clock on the clue, you get:

Clockwise, this spells LILLIEGLASSBLOWERSSSMYRNA

LILLIE GLASS BLOWERS SMYRNA
