

GREATER ATLANTA CRIMINALSTICS
EVIDENCE REPORT

Officer: Sgt. F. R. Wop Evidence Tag #: 0409MMXI

Location: Floyd County, GA

Notes: Anonymous tip led an investigation team to a house in the outskirts of Floyd County. The house is owned by one of the recent victims of the killer we've been tracking. While the house had clearly been ransacked, the investigators found a message in the garage that has so far stumped our cryptographers. A photo of the message is attached.
