

DOUBLE LETTERS Solution

SUMMARY:

Teams are given a pseudo-deposition of a Medical Examiner in an INCREDIBLY fictional legal document. The component that make the clue is that if you take the words that begin and end with the same double letters (e.g. ERasER, LEgible), and put the two-letter pairs together in order, it spells out the answer.

SOLUTION:

The phrases in the flavor text which lead to the answers are “double duty”, “repeating our investigation”, “come at the evidence from both ends”, which indicate they should look at repeating double letters on both ends.

All of the words are contained on pgs 6-8 of the deposition.
The words that lead to the puzzle are:

go – GOGO (pg 6)
to – TORONTO (pg 6)
ca – CASABLANCA (pg 6)
re – REFRACTURE (pg 7)
re – REASSURE (pg 7)
mu – MUMU (pg 7)
si – SISI (pg 7)
cs – CSYBERNETICS (pg 7)
to – TOMATO (pg 8)
re – REQUIRE (pg 8)

Which spells out “gotocareremusicstore” – Go to Carere Music Store.
