

RECRUITS:

We have intercepted a transmission from a potential number station operating in the Atlanta area. This particular frequency is known to advertize black market auctions. We have reason to believe that several of our suspects for the recent string of murders will be attending this auction. You and your team have come highly recommended for your cryptographic skills, so we need you to try to crack this code so we can take down the auction. The intercepted message is as follows:

3605 1519 3919 2116 1915 2323 3800 4020 3109 1820 0312 3020 0106  
0915 3516 4115 0412 1118 1700 2812 0515 2909 1200 2419 1021 1605  
3720 0700 3205 2602 3400 1314 2709 0623 4305 2509 4218 2000 0825
